Our Mission

Connecting people with support, resources, and education so they can empower themselves to become self-sufficient.

Our Vision

We envision a community where all people are equipped with tools and resources necessary for a stable and prosperous life.

Giving Hope. Changing Lives.

Message from AIM's Leadership

Over the past year, Anderson has seen the community come together, just as it always does in a crisis. After the devastation of Hurricane Helene, the community responded by answering our plea to restock our shelves after we experienced record numbers of individuals needing food, water, and more.

Our Housing Rehabilitation program has gained new contractors, volunteers, and donors to help make much needed repairs to homes in Anderson County. The storm only multiplied this need. Without this community providing gap funding to leverage other program dollars, this work would not be possible.

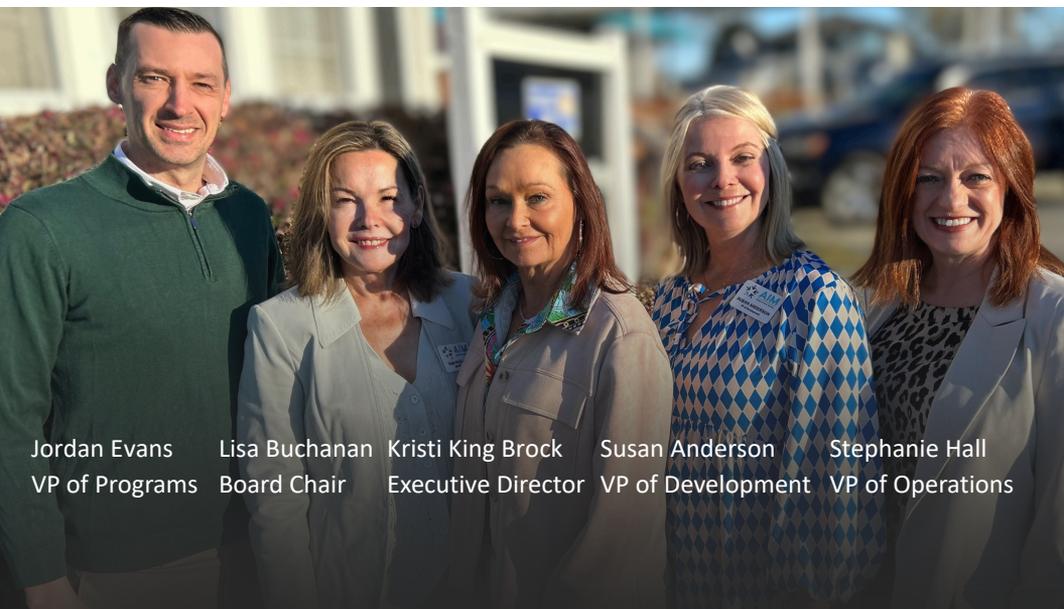

Our Employment Pathways Program provided crucial training for SNAP Recipients in response to the loss of federal dollars and lack of skilled workers in the medical field.

Our community came together, once again, to provide a new space for AIM's FoodShare Program to grow. Anderson School District 5 gave AIM the opportunity to make use of a building off Fant St. to have proper space to house this new program. The program provides affordable and healthy produce options for a reduced rate to not only SNAP recipients, but all Anderson residents. This would not have been possible without our community's support, which started with a challenge grant issued by Carol and William Kenley and met by many community members, AnMed, First Presbyterian Church, Anderson University Athletics & more.

We are grateful for this community that responds to the needs of its people and we pray that this support will continue long after the reminders of the storm.

Thank you, Anderson, for supporting AIM over the past 35 years and we ask for your continued support as we continue to "Give Hope and Change Lives" in this community.

Hunger Ministries

Available to help meet the needs of families with food insecurity within the Anderson Community, we offer a variety of programs throughout the year. Recipients include residents in temporary need and families who are receiving SNAP benefits. We are most known for our drive-thru Food Pantry where households may receive assistance once each month. We are open Monday - Friday from 9:00-10:00 am or until 45 families are served.

Making a difference, one box at a time...

Financial Stability

Financial Stability Center at AIM is the hub for services that support community financial wellness. Monthly classes and workshops are FREE to all. In addition, eligible individuals may benefit from the Volunteer Income Tax Assistance (VITA) program and the X-Factor employment training. Employment Pathways and Pivotal Support are also available.

Volunteer Income Tax Assistance (VITA)

AIM's Volunteer Income Tax Assistance (VITA) Program is a powerful anti-poverty tool, providing free tax preparation services ensuring that hard-working individuals receive the maximum benefits available without losing hundreds of dollars in paid-preparer fees. AIM's VITA Program hosts tax assistance locations at community and neighborhood centers, churches, and other convenient locations across Anderson County.

Pivotal Support Program

Pivotal Support assists individuals with an immediate need and connects them with the tools that can stabilize their future. If approved, the assistance plan may include limited financial support with the long-term goal of self-sufficiency. Individuals are encouraged to attend monthly financial classes and workshops.

Housing Rehabilitation

Community homeowners who are low-income earners may be eligible for assistance with needed household maintenance or adjustments. Eligible services include ramps and other necessary repairs that threaten the health and safety of these families and their ability to remain living in their home.

69

Completed Jobs

\$417,976.25

Total Value of Rehabilitation

Coalition for Home Repair received a Veterans Housing and Modification Pilot Program (VHRMP) grant award in support of the Operation Safe Homes Initiative. The organization is using the award to modify and rehabilitate the homes of low-income and disabled veterans nationwide by working with its member organizations, like AIM! Throughout 12 subrecipients of the grant in 6 states, **FIVE** VHRMP Projects have been completed.

FOUR of those were through AIM for Anderson Veterans.

Women and Children Succeeding

WACS empowers moms to reach their career goals by earning a degree. Each scholar is a full-time student who is gaining the necessary skills for their profession through local colleges and universities. WACS' holistic approach focuses on balancing academics, career planning, family and life, finances, health, and faith to reach full potential.
