

Dear Community Supporter:

In 1990, Anderson Interfaith Ministries was formed to offer a “hand up to those in need” and to be better stewards of the community’s resources. Since its creation, AIM has grown to a continuum of services to assist with utility bills, hunger, financial literacy, and education in order to break the cycle of poverty through stewardship and accountability.

In order to provide these services to the Anderson Community, AIM holds fundraisers. On May 2nd, 2025 we will have An AIM Affair featuring live music, heavy hors d'oeuvres, dancing, and Auction. This year’s event will also celebrate AIM’s 35th Anniversary! We will have a special band, Finesse (South Carolina’s #1 Party Band) and special program. The week before the event we will open the Online Auction to allow for more bidding opportunities leading up to the live event.

We would like to request an item to use as an auction item. Would you consider donating an item for this year’s event?

In exchange for an item donation, your business will receive the following:

- **A listing on the online auction website with your logo and link to website.**
- **Listing in our monthly email newsletter, sent out three times a month to our subscribers.**
- **Acknowledgement at in-person event.**

This is a great opportunity to put your product or service in front of influential buyers, market your business with little cost, and potentially gain new clients and their referrals.

We hope you can join us in making An AIM Affair remarkable. We have included a donation form for convenience. Please contact me, Susan Anderson, if you have any questions or need additional information at 864-965-9082 or via email: susan.anderson@aimcharity.org. For more information please visit our website at www.aimcharity.org.

As always, all donations are tax deductible!

In His Service,

**Susan Anderson
VP of Development**

AIM is a private non-profit organization in South Carolina.

Our partnerships extend throughout the upstate and include over 140 churches of various denominations, local, state and national government agencies, non-profit agencies serving those in need, businesses and corporations, educational entities and civic groups. Our programs “aim” at the core problems that prevent families from emerging out of poverty. Our mission is to connect people with support, resources and education so they can empower themselves to become self-sufficient. AIM is very proudly a “hand-up” not a “hand-out”.
